

WELCOME TO THE WONDERFUL WORLD OF CRUISING

So you've decided you want to go cruising and it's *the best* decision you've ever made. *But wait, if you want to succeed you must have the right boat*, suitably equipped for the *TYPE* of cruising you have in mind. Perhaps you're unsure which to choose, so your next best decision had to be buying this book, *The Answer To Every Boaters Cry For Help*. Here at your fingertips is all that is needed to help you achieve those elusive dreams, whatever they may be. *The text throughout is written and explained in layman's language for the benefit of all*, but designed to gently guide both novice and experienced mariners through the maze of pitfalls that wait to trap the unwary. To whichever category you belong, you'll soon recognise vital differences in data pertaining to boats that will ensure your choice is most suited to your needs. *You can follow on to conduct your own surveys and save huge amounts of money on the final purchase*. With the help at hand you can diagnose faults... *before they become problems*, do repairs and modifications, while knowing exactly what to expect from the outset with sound advice on the easiest, most practical way.

Cruising can and should be all *YOU* want... a hobby, retirement plan, relaxing coastal or inter-island vacation or even the ultimate... a circumnavigation. The choice is yours, *Power or Sail*.
